

Once you complete the COTC application, you must complete the online registration form for the course, or courses you want to enroll in.

To do that, please do the following for each class:

1. On the COTC website, click on the work, “Admissions” (in blue).
2. Then, click on, “High School Student” on the left (picture of a school).
3. Click on the “College Credit Plus” link (in blue).
4. Scroll down and then click on the link, “2018-2019 COTC CCP Electronic Registration Form”.

Now that you are looking at the registration form, please complete the fields with an asterisk. A few helpful hints:

- Pre-Calculus is Math 150, which is 5 credit hours. Starting AU 18.
- AP Calc AB is Math 200, which is 5 credit hours. Starting AU 18.
- AP Calc BC is Math 200 in the AU 18, and Math 210 in the SP 19 (both 5 credits, for a total of 10). You need to complete two online registration forms, one for Math 200 and one for Math 210.
- Intro. To Business is BUS 105, which is 3 credit hours. Starting AU 18

Your admissions representative is Callum Morris.

If you have any questions, please contact your school counselor
