Bienvenue au cours de français IBY2!

I am so happy that you have signed up for the highest level of French for next school year. In order to keep up with your language skills over the summer, and to prepare you for the challenging year ahead, you will need to complete the following summer assignments. They are all due the first day of school.

- 1. Reading / Writing:** Find one authentic **article online** (see suggestions of French news sites) and complete the **handout**. It must be based on the theme of *environment* and on one of the topics listed. First come, first serve! You will be expected to share what you learned in small groups, using your handout.
- 2. Listening:** Watch the following **movies** and complete the corresponding questionnaires. DVDs are available at the Worthington Public Library.
 - a. *Les Intouchables*
 - b. *Les Choristes*
- 3. Presentational Speaking:** Take **pictures** throughout your summer of a variety of your activities (vacation, job, schoolwork, family, etc...). Create a **Google Slide** presentation for the first day of school. Only captions (in French, bien sûr) are allowed on the slides. You will be expected to talk about them (with details!) on your own.
- 4. Challenge for extra credit:** Read the first half (ch 1-26) of the novel ***No et Moi*** (by Delphine De Vigan) and complete the questionnaire about it.

Bonnes vacances à tous!
