Summer Time Commitment Planning Calendar

Block off all non-curricular time commitments (co-curricular camps, practices, scrimmages, rehearsals, etc.; church; family vacations; work) Then schedule the number of hours required to complete each summer assignment. Make sure you schedule enough time to complete all summer assignments. Stick to your schedule and do not let yourself get behind! **Students have until June 15th to change course levels without needing to complete summer assignments.**

	Sunday		Monday		Tuesday		Wednesday		Thursday		Friday		Saturday
