

## 11<sup>th</sup> Grade Registration To Do Checklist 2023:

All Forms, Videos, and Links are on the main page of the WKHS Counselor website. Please visit [www.wkhs counselors.com](http://www.wkhs counselors.com) to access them.

- Decide on what classes you want to take next year.
  - Complete your “Graduation Requirements Checklist” to determine courses still needed to meet graduation requirements.
  - Review teacher course recommendations for core classes.
  - Talk to teachers about their recommendations and for more information about electives and opportunities within their department.
  - Use “Course Planning Ideas Form” to determine a balanced schedule that works for you. Please note this doesn’t guarantee classes into specific periods or semesters.
  - Discuss all your options and selections with your parents and finalize decisions.
  
- Follow the Infinite Campus Step by Step instructions to enter your additional course requests online by **February 3<sup>rd</sup>**. Online access to request classes will open January 27<sup>th</sup> at 4pm.
  
- Schedule your individual 30 minute meeting with your counselor. Please look for an email or visit [www.wkhs counselors.com](http://www.wkhs counselors.com) for a link to your counselor’s appointment page. Appointment times are available on a first-come, first-serve basis. During this meeting you will discuss your senior year courses AND your plans for after high school.
  
- Complete the “Junior Planning Form” and “Searching for Career Fit” to align your course selections with possible majors and careers that fit your personality and interests. **Please bring the Junior Planning Form to the meeting with your counselor.**
  
- If considering CC+ classes, watch the videos of the mandatory information session and complete the intent to participate form packet. Please note, intent to participate forms must be submitted to your counselor at your appointment time in order for students to submit CC+ classes on their initial course registration requests. Students can change course requests to add CC+ classes through the state’s April 1<sup>st</sup> deadline.
  
- Want more information about class options?
  - Review course video library for specific course overviews.
  - Read Course Planning Handbook summaries.
  - Attend Curriculum night tonight, January 25<sup>th</sup> – all students & parents invited.
  
- If you want to take a different class than was recommended by your teacher in IC, you can make the change during your meeting time. Please note that if you are requesting a higher level course than recommended, you must complete and submit the course override form (available at [www.wkhs counselors.com](http://www.wkhs counselors.com)) in order for a change to be made.
  
- Meet individually with your counselor. Don’t forget to attend your individual meeting appointment at the time you have selected. Be sure to bring your completed “Junior Planning Form” with you to the meeting.
