

# Summer School

Planning to take classes during summer school? Please sign up as soon as registration opens to make sure you don't get closed out from having the opportunity.

## Worthington Summer School

- June 5 – June 29<sup>th</sup> at WKHS & free bussing is available to students if needed
- Most programs will run Monday – Thursday
- Classes offered will primarily be Credit Recovery in blended learning format running from 8-10 or 10-12 each day
  - o Credit recovery courses will be available free of charge
  - o Advanced credit classes will have a fee
- Students may only register for 1 course. If they are able to complete a class and sufficient time remains to complete another credit recovery course, they will be allowed to do so.
- Registration is completely online and will open the first week of February
  - o Registration and additional information about Worthington Summer School will be featured on the district website – [www.worthington.k12.oh.us](http://www.worthington.k12.oh.us) – under the Academics Tab.
  - o Please note that if you are registering for a credit recovery course that you will do that through the links on the bottom of the summer school website page to the Google Documents for “HS Credit Recovery” and NOT through the My Payments Plus link.

## Online Summer School

Many students want to take classes online during the summer for either get-ahead credits or for credit recovery. This is not through Worthington schools, but is certainly an option available. *There are costs associated with online summer school courses which will vary by the online providers.* Students can take classes through any accredited school and then, at the end of the course, students provide WKHS with a copy of the transcript from the online school and we will add the class into your Worthington transcript. Please note that as a transfer credit the grade earned will not be computed into the Worthington GPA.

Many students have asked for suggestions of online school options and it can be *any* that are accredited. (So feel free to do a general Google search for options.) Probably the school we receive the most transcripts from each year is TRECA. Their website is: <https://treca.org/programs/summer-school> and registration opens April 5<sup>th</sup> and closes June 2<sup>nd</sup>.

## Additional Information related to commonly asked questions:

- Yes, you can take a combination of both Worthington summer school and an online summer school at the same time as a way to earn or make up multiple credits during the summer.
- You need to be sure that you are making up the appropriate semester for year-long classes in courses that you failed. Some schools will call 1<sup>st</sup> semester “A” and some will call it “semester 1” – please look carefully to make sure you sign up for the appropriate classes/ semesters.
- If you elect to take Government through TRECA, they only have a year-long Government class which means you have to take Gov A and Gov B to earn the credit to fulfill the Government graduation requirement.
